### **Call Letter for BSS Membership & 13<sup>th</sup>Annual Awards 2024-2025**

We are glad to inform you that our invites regarding students membership for Bose Science Society (BSS). Our society was established in the year 1999 authorized by Tamil Nadu Scientific Research Organisation, Pudukkottai, Tamil Nadu. Our society (BSS) encourages the scientific community people such as research scholars, faculty members and students to augment the research and training in their respective fields (allied to science). Since 1999, BSS motivates all the students and young researchers to publish and present their research work in conferences organized by us. Every year, Bose Science Society provides prestigious awards to the best researchers, scientists and students (only registered members) for their innovative research work and services.

Bose Science Society is a sister concern of Tamil Nadu Scientific Research Organization (TNSRO), Pudukkottai. To enhance the scientific research and development, TNSRO has signed MoU with various universities and colleges such as Alagappa University, Karaikudi, Kanyakumari Institute of Alternation Medicine (KIAMS), Nagercoil. Bon Secours College for Women, Thanjavur. Sharmila Institute of Medicinal Products Research Academy (SIMPRA) Thanjavur. AWECARE Analytical & Research Laboratories, Erode. Alpha Omega Hi-Tech Bio Research Centre, Salem. Holy Cross College (Autonomous), Trichirappalli. JJ College of Arts and Science (Autonomous), Pudukkottai. Tharashal Training Academy Pvt. Ltd., Chennai. VV College of Engineering, V.V.Nagar, Tisaiyanvilai, Tirunelveli. Vivekanandha College of Arts and Sciences for Women, Elayampalayam, Tiruchengode, Namakkal Dist. St.Peter's Institute of Higher Education and Research, (SPIHER Deemed to be University) Avadi, Chennai. Seethalakshmi Achi College for Women, Pallathur, Sivagangai District. Pushkaram College of Agricultural Sciences, Pudukkottai. Holy Cross College, Nagercoil.

Bose Science Society has two wings (Professional Wing) for faculties and (Students Wing) for UG and PG students. Our society has been organizing Seminars, Conferences, Workshops, Trainings and Awareness programmes to the scientific community. All over the country, we have multidisciplinary faculties in all fields of science. Applications are invited from students (all science disciplines) to join as a member in Bose science society (Student's Wing). Students are insisted to send the filled application along with the HOD / principal's forwarding letter to us via mail or post.
